

REMARKS

The specification has been amended to shorten the title and to include subtitles. A few changes have been made to correct improper language usage, and to provide reference to specific drawing figures, but these changes do not in any way affect the scope of the invention.

The claims have been amended to remove multiple dependencies and for clarity.

The Commissioner is authorized to charge any deficiency or credit any overpayment to Deposit Account 07-1900.

Respectfully submitted,
JENSEN & PUNTIGAM, P.S.
